

# CML PATIENT SEMINAR

**Saturday 14<sup>th</sup> November 2015**

UK doctors and nurses specialising in CML will present on topics suggested by our patients including

Understanding CML and PCR monitoring

The drugs: which and when?

Managing side effects

Prospects for stopping treatment

Patient based research

The availability of drugs through NICE & the CDF

Some of our patients will talk about their experiences - good and bad, and there will be plenty of opportunity to ask your questions.

Rates: £10.00

Price includes catering.

**Imperial College  
London**

The CML Patient Seminar will be held at the W12  
Conference Centre,  
Hammersmith Hospital, London.
